Discover the Dubai of today

At the heart of one of the world's most exciting coastal cities, Madinat Jumeirah has, for the past decade, been a key emblem of Dubai's heritage and vision for growth. Jumeirah Al Naseem—meaning sea breeze in Arabic—is firmly anchored on the Arabian coast, whilst charting new waters in the Dubai luxury hospitality scene. It is the fourth and final property to open at Madinat Jumeirah, marking the resort's completion.

Warm and inviting, yet energetic and inspiring, Madinat Jumeirah's latest hotel addition expertly blends heritage and vision. Authentic Arabian culture and design is re-imagined for the Dubai of today, delivering a strong sense of place and the Jumeirah brand promise of STAY DIFFERENT™. Jumeirah Al Naseem is ideal for the adventurous traveller who seeks an authentic experience, without compromising on luxury; as well as those who may not have considered Dubai before.

Jumeirah Al Naseem joins the grand Jumeirah Al Qasr, the peaceful and recently renovated Jumeirah Mina A'Salam and the exquisite summerhouses of Jumeirah Dar Al Masyaf, becoming the fourth hotel within The Arabian Resort of Dubai.

Jumeirah Al Naseem is writing the next chapter for Madinat Jumeirah. The youngest member of the successful Arabian Resort's family of hotels is nestled amongst the inland waterways, bustling souk, award winning conference centre and indulgent spa.

Sitting proudly on Dubai's longest stretch of private beach and overlooking Burj Al Arab Jumeirah, Jumeirah Al Naseem delivers the perfect blend of heritage and vision. The interior design is inspired by sand dunes, blue skies, Dubai's heritage of pearl diving and Bedouin traditions. The guest rooms are spacious and designed to adapt to your needs; open plan and accented with Arabian touches delivering a strong sense of place.

The hotel's extensive landscaped gardens edge the sandy beach and are inspired by the wadis found in the region, featuring 14 species of palm trees and providing pockets of privacy and peacefulness.

Jumeirah Al Naseem will offer a stunning choice of 430 rooms and suites. More than 100 adjacent rooms and 12 specifically designed Family Suites are available; as well as Ocean Suites, two Presidential Suites and a Royal Suite located on the highest point of the hotel. Bathrooms are generous in size and include Arabic features and walk in showers.

Born in Dubai, A breath of fresh air

Jumeirah Al Naseem is a breath of fresh air in today's dynamic Dubai. With its extensive landscaped gardens on the city's longest private beach, proudly overlooking Burj Al Arab Jumeirah, this is a place where the rhythmic lapping of the waves gently filters through a bedroom window left ajar. Where the smell of the sea is carried on a warm breeze across to rooms, open terraces and outdoor restaurants.

Every element has been thought through to reflect the hotel's unique inspiration. Each selected art piece, for instance, has been chosen for its connection with Dubai's past and present history. From the moment guests and visitors arrive they will be welcomed by a stainless steel sculpture, designed by Emirati artist Mattar Bin Lahej to tell the story of Dubai; with three further statement art pieces dotted inside the lobby of the hotel. This theme also extends to Jumeirah Al Naseem's fashion collaborations; with Emirati female colleagues proudly wearing the traditional abayas, but with a twist - these have been exclusively designed in Jumeirah Al Naseem inspired tones by local luxury fashion brand Slouchy'Z.

Jumeirah Al Naseem is about freedom; freedom to tailor your time, freedom for unexpected adventures, freedom to explore and experience.

Jumeirah Al Naseem will feature nine restaurants and bars, interwoven by the common theme of The Arabian Explorer. Going back several centuries, Arabs visited and settled across the Mediterranean, leaving behind a strong influence—across architecture, gardens, art, fashion and food especially—which remains today.

Guests will be transported on a culinary journey; from the Moroccan inspired offering in Al Mandhar Lounge, tempting and healthy options at Kalsa Pool Bar—named after the area of Palermo where the Khalifa lived back in the days when Sicily was an Emirate—to the fabulously eclectic beach-front, Rockfish restaurant, offering a Mediterranean seafood experience with an Arabian twist; and relaxed Summersalt Beach Club, featuring a spice route theme.

The existing 40 restaurants and bars in Madinat Jumeirah make it a must visit dining hot spot for locals and Dubai visitors. Award winning restaurants such as Pierchic, Pai Thai and The Hide, add to more than 20 other restaurants located at the nearby sister Jumeirah hotels. Four external restaurants, operated by international names, will also open around the Turtle lagoon; including artisan burgers from New York's Black Tap, the Tuscan Il Borro by Salvatore Ferragamo, the Philippe Starck-designed Japanese Katsuya and popular Dubai-grown brand Flamingo's.

Meet the Team

The Executive Committee assembled for the opening of Jumeirah Al Naseem comprises hospitality experts with years of experience operating and managing hotels both in the Jumeirah portfolio and for other luxury operators. The mix of existing and new Jumeirah Al Naseem management colleagues will deliver the reassuringly familiar but refreshingly different guest experience for those who already know and love Madinat Jumeirah and those looking for a new experience in luxury hospitality at the Arabian Resort of Dubai.

Jumeirah's "The Place to Grow" colleague promise is fully apparent in the management team in Jumeirah Al Naseem.

Madinat Jumeirah, The Arabian Resort of Dubai

Madinat Jumeirah is an authentic recreation of ancient Arabia, and Jumeirah Al Naseem a reflection of the Dubai of today. Each hotel within the resort is clearly differentiated, offering guests a wide choice based on their individual preferences and style.

Jumeirah Mina A' Salam, 'The Harbour of Peace'—completely refurbished in 2015—is a luxuriously comfortable hotel. Located at the heart of Madinat Jumeirah, it offers authentic Arabian experiences with family friendly service.

Jumeirah Al Qasr, 'The Palace', features a majestic arrival experience and a journey through luxury; offering palatial guest rooms decorated in traditional Arabian style, with stunning views across the sea and opulent surroundings of the resort.

Inspired by the traditional Arabian courtyard summer houses, the intimate and exquisite Jumeirah Dar Al Masyaf is set amongst tranquil gardens, waterways, exclusive pools and the resort's private beach. It offers newly-refurbished elegant and spacious guest rooms and courtyards, a personalised butler service and an understated Arabian luxury experience.

Madinat Jumeirah provides extensive leisure and health facilities including Talise Spa and Talise Fitness, as well as Souk Madinat Jumeirah, a traditional retail and dining experience with 90 boutiques and restaurants showcasing the best of Arabia.
